

Instructions for Linking to the Catholic Legislative Network

1. Simply link to the website, www.cacatholic.org, the home page of the California Catholic Conference. The site will guide visitors to the Network pages.
2. Insert the following code onto your webpage...

```
<a href="http://www.cacatholic.org"></a>
```

It will produce an image and a direct link that looks like this:

3. You can also contact leginfo@cacatholic.org for more information and assistance.
